

# GET INTO CRICKET !!

Huntingdonshire Cricket, part of the England and Wales Cricket Board, has launched a big initiative to get more boys and girls playing cricket.

If you are in school years 3 to 5 [2010/11 school years] and have played cricket at school, at a cricket club or in the back garden, then this is for you.

The initiative will involve eight weekly coaching sessions aimed at developing your understanding and enjoyment of cricket through a mixture of drills and games.

It will start the week beginning Saturday 25 September and go through until Saturday 13 November at two venues in Peterborough and Sawtry.

Each session will be run by qualified cricket coaches, will last 90 minutes and you'll get 12 hours coaching for just £10.
